Country's first AICTE Idea Lab opens at Shankaracharya College

■ Staff Reporter
RAIPUR, Feb 8

ALL India Council for Technical Education (AICTE) has selected Shankaracharya College, Raipur to set-up the Idea Lab. A number of engineering colleges from all over the country applied in which 49 colleges have been selected. One among of these is Shankaracharya College, Raipur. SSIPMT Raipur is the first college in the country where AICTE Idea Lab was inaugurated on Tuesday.

School Education Minister Dr Prem Sai Singh Tekam was the chief guest of the inaugural programme. Addressing the inaugural programme, School Education Minister Dr Prem Sai Singh Tekam said that it is a matter of pride not only for the college but for the entire state that SSIPMT Raipur has been selected by AICTE for the Idea Lab. Students can make their future bright by making an effective use of the facilities provided in the Idea Lab @SSIPMT Raipur.

Sharing his views, Advisor of Institutional Development Cell AICTE Dr Neeraj Saxena said, "I

(L-R) Secretary SGES Nishant Tripathi, Advisor of Institutional Development Cell AICTE Dr Neeraj Saxena, Chairman SGEC I P Mishra, School Education Minister Dr Prem Sai Singh Tekam and Principal Dr Alok Jain seen on the dais during inaugural programme.

congratulate the entire team of Shankaracharya College for setting up the country's first Idea Lab". He said that the Idea Lab would prove to be a milestone in making the country technically efficient.

Chairman SGES I P Mishra stated that Shankaracharya Raipur has made a great accomplishment in a very short span of time. On the other hand, Secretary SGES Nishant Tripathi said that SSIPMT Raipur is the only institute in the state to get UGC Certification, NAAC and

AICTE Accreditation, and has been ranked in ARIA. He further added, now SSIPMT also has the title of making country's First Idea Lab. SSIPMT Raipur has been in the news for playing a leading role not only in academics and placements but also in activities related to social concerns. This institute, which is recognised for its excellence in education, innovation, research, and teaching practices, technology and research has rendered a socially useful work during COVID-19 by making automatic sanitising

tunnels. Nishant Tripathi congratulated faculty and students on this outstanding achievement. Under the Idea Lab Scheme, grants are given to selected institutions of the country, from which the institutes purchase state-of-the-art equipment that helps in providing training to the students in an effective way. It will help give stimulus to innovative and start-up ideas of students. Under National Education Policy 2020, this scheme has been designed keeping in view the concept of idea development, evaluation and application at the core. This will help develop skills of students mainly imagination, creativity, critical thinking, design thinking, problem solving and collaboration.

The AICTE Idea Lab at SSIPMT Raipur will be open 24x7 and will provide all facilities under one roof for conversion of an idea into a prototype and thus provide required impetus to modern day education. Principal of the institution, Dr Alok Jain appreciated the tireless efforts of Professor Atul Chakraborty, Dr J P Patra, Pankaj Yadav and the entire team of Idea Lab.

This AICTE IDEA Lab at SSIPMT Raipur foster innovation, solving real-life problems through patented solutions. Students and faculty file patents for groundbreaking ideas, like smart energy harvesting systems. Life problems addressed include healthcare, environmental sustainability, and accessible education. Innovations emerge through IoT, AI, and renewable energy technologies. AICTE IDEA Labs nurture entrepreneurship, industry partnerships, and socially relevant solutions.
