#### 4. Details of Write-Up:

The visit by Qualcomm delegates followed a structured and engaging schedule that combined cultural, academic, and technical sessions.

**Name of program:** Exposition: Technical Discussion on wireless communications, AI, Innovations, and IPR

Objectives of the Event

The core objectives of the Qualcomm visit were to:

- Discussion on modern industry trends and future technologies.
- Encourage innovation, creativity, and research-oriented learning.
- Educate Students on patents and the global process of protecting intellectual property.
- Strengthen ties between academia and industry leaders to foster collaborative opportunities.

#### Brief Details:

- **Spiritual Visit:**
  - The day began with a visit to Mata Bala Tripura Sundari Mandir, where the guests, faculty, and student coordinators sought blessings for a successful event and future collaborations.
- **Briefing Session (Conference Hall):**
  - A formal welcome and institutional briefing were held in the Conference Hall. The college administration introduced the guests to SSIPMT's academic initiatives, innovation ecosystem, and ongoing projects within the CSE department.
- **Interactive Discussion (Idea Lab):**
  - The Idea Lab hosted a dynamic interaction between the Qualcomm representatives, faculty, and students. Discussions focused on AI advancements, wireless communication technologies, and the importance of patents and innovation. Students presented ideas and asked insightful questions, leading to an enriching exchange of knowledge.
